PROJEKT: **Our Planet, Our Responsibility: Learning from the Earth's Ecosystems for a Sustainable Future**

My host family in Palma de Mallorca

My Spanish friend's name is Ariadne. She has a sister Oriana. I've only met their dad once, because their parents are divorced.

I tasted many Spanish specialties, but we ate mostly **Bolivian food** because her mother is from Bolivia.

On Monday and Wednesday, I went to **karate class** with them. It was great but I didn't understand anything. I met some other girls there. They were very friendly but a little bit annoying.

We were **at the beach twice**. Each time somewhere different. For the first time I was with two other families from Erasmus and the second time we were there only with the family that Terka went with. We didn't

for bubble tea.

What I enjoyed the most was how we would **play songs and sing along every car ride and then continue at home**. We also watched two **Harry Potter movies** because it's both my and her favourite movie. And on last evening we played a board game that was themed around Disney princesses. It was harder than I thought, but in the end, I won.

I thought our English would be terrible but, in the end, everything was fine. I'm glad I could spend such a great time with this family.
