MY SPANISH HOST FAMILY

My Spanish **host's name is Zahra**. She is 11 years old. She lives with her family in Enguera. She has got a **brother Amine** who plays football and he is 14 years old. **Zahra plays badminton.**

Her mum is Sabah and she works in food factory **DULCES DE LA ABUELA**. Her dad **Mohammed** works in forestry called **Vaersa**.

They are Muslims and they are really nice family. Her dad worked in the past in France, Poland, Czechoslovakia as a lorry driver.

Zahra's mum makes some food like **muffins and sweet pastry** and so on.

I love where they live and I love Enguera. It is wonderful that everyone knows each other in that place.
