SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

On Sunday we woke up and we went out. It was really hot outside and first we visited our friend Martina. Then we went for a walk around Enguera to some shop and we **found lemons, limes and oranges there.**

In the afternoon we drove with the family to some **lake**. The journey was long like 30-45 minutes and it was not in Enguera. We spent there approximately 1 hour. **We were walking, eating snacks, just sitting and having a rest** and then we finally got home.

In the evening my friend called me to go out. We went with Zahra's dad to a sports field.

We played some games there because we wanted to know each other better. One game was for example that dad said HOLA or AHOJ and we had to stay on the right side of the field.

We played also basketball and a game where you have to say the number from 1 to 5 (because we were 5) and a person who had that number had to hit some with a ball.

I like every family in this ERASMUS!
