SATURDAY 21st MARCH 2026

Barbora Padyšáková 6.A

Our Erasmus journey to Spain started. **There were 11 students of grades 6 and 7 and 2 teachers.** We all got up very early at 2:00 in the morning, had breakfast and went to the bus station in Brno - Grand where we had to be at 3:15.

We said goodbye to our families, started for Valencia. First, **we took a bus to Vienna airport** and left the bus station at 3:40. We arrived at the Vienna airport at 5:10 and did check-in and put away our luggage.

Our plane Ryanair left at 7:50 and we arrived at Valencia at 10:35. The journey by plane took 2 hours and 45 minutes.

When we landed, we collected our luggage and our Spanish host families were already waiting for us at the airport. **We already knew each other, because the Spanish group spent one week in Brno in December.** We said hello to our friends and their parents.

Each of us went to our family's house in Enguera **by car.** The journey took about 1 hour and 45 minutes. We also stopped somewhere on the way for food because we were hungry.
