### MARCH 2025

#### Veronika Pálková 6.A

#### My Saturday

As soon as we arrived at the airport, the Portuguese family picked me up and we went home. Upon arrival, I found out that they live in a **small apartment**. Their family consists of **four members: mom, dad, sister Sofia and my host Beatriz**.

We had **lasagne** for lunch. I really liked it. After lunch, we went to a **beautiful viewpoint** where we met others. It was nice and you could see the **entire island of Madeira** from it. Then we drove down to a small town, where we looked at a small lighthouse and also **crabs that were climbing on the rocks** there. We walked around

the town and ended up in a small restaurant where they brought us their typical **pineapple drink**. We went to the playground and then home. At home, we played games with the whole family. We had an omelette for dinner. Then we went to bed.

#### My Sunday

I woke up at 9:00 for breakfast we had **pancakes with Nutella and fruit**.

After breakfast we went to **Miradouro Forol da Ponta do Pargo** where we met the others. We went to see the **picturesque village** and went to a restaurant for lunch.

Then Julča and her family joined us and we **all**

**went swimming at the nearby beach**. It was great! We went to a **large waterfall** that gushed onto the road. We looked at the fishermen's houses and went for **ice cream**. Then we said goodbye and went to the market and home. For dinner we had lasagne and their typical dish with fruit. We played a few games and went to bed.
