SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

On Sunday I woke up at around ten o'clock, I brushed my teeth, hair and changed from pyjamas and go to my room to text my friends. Then at twelve o'clock I had breakfast, I had **pancakes with strawberry syrup and honey** (it was really good and tasty).

Then me and Ogechi were talking about our programme for the week and today. Later at three o'clock **we had paella** (typical Spanish food with yellow rice, pork or chicken meat with chips peanuts and chocolate which we were eating between) in dining room with others.

After eating we rested while talking about things like ours favourites activities what we do in free time, films or cartoons, sports, etc. Then around five o'clock Ogechi's mom takes us by her car to the shopping centre (the way there was around half an hour). After we arrived, we met at the parking lot our friends Monika (Czech) and Leonora (her Spanish host) with her mother. We walked inside, went to the second floor and went to the playzone with games which was connected with bowling named Ozone where we waited for Zuzka (Czech) and Martina (her Spanish host).

After their arrival we **went to play on the machines**. The machines works like this: you have special card with money and when you want to play you swipe the black strip which's on the card in the box which has space on the card in the middle and when the box after swipe get green you can play, you have limited time for some games, but on every machine bigger score means more tickets and after we ended playing we went to one machine swipe the card and get our tickets in, the machine told us how much tickets we had and get them on card.

Later after playing **we went to play bowling**!!! But we had to wait for Adéla (Czech) and Martina (her Spanish host). We had two tracks. First track was where me – Simona as Simon, Monika as Monic, Leonora as Leonor and Ogechi as Ogechi were playing, on

the second was Zuzka as Suska, Adela as Ada, Martina as Moren and second Martina as Martina.

In our track I won with 114 points, Monika and Leonora on the second place with 110 points and Ogechi was last with 72 points, on the second track Martina won with 91 points, Zuzka was second with 77 points, Adela was third with 72 points and Martina Moren was last with 69 points.

Then all of us **went to the nearby McDonalds for our dinners**. I ordered double cheeseburger, medium fries with ketchup and an Oreo ice cream. It was really good because I like McDonalds. Then we waited for our meals were ready and we waited for each other and started to eat together.

After dinner we said goodbye to each other and drove home, we arrived back to home at around eight o'clock. I went to take a quick shower, changed to pyjamas and brushed my teeth and hair and got to bed. Then me and my friends were calling on WhatsApp for two hours. Then I was texting with my good friend from Czechia for half an hour. And I finally fell asleep after this great day in the shopping centre with my friends and their Spanish hosts.

I enjoyed that day so much!!!
