REPORT: GROUP MOBILITY OF PUPILS PALMA DE MALLORCA, SPAIN WEDNESDAY 21st MAY 2025 MORNING

Tereza Nosková 7.B

I got up at about 6:30 in the morning. We had breakfast at 6:45. I had chocolate rice with milk for breakfast. After breakfast I went to get ready for school and at 7:35 we set off for school.

On the way, Gabča called us as usual and asked where we were and that she was waiting in front of the school. As soon as we met, we went to the meeting room and our Spaniards were in their classes.

For the first lesson was an origami class, we were learning how to make an origami rose.

Then we went for a day trip - we got on the bus with lunch. Then we went to the village of **Valldemossa**. There we went up the hill to a beautiful view. We also walked through a terrace with a view.

Then we went back to the bus and since it wasn't there yet, we looked at the **Sierra Tramuntana mountains** from a distance. Then the bus arrived and we drove on. The bus then dropped us off and we went somewhere into the forest, about 1 hour later we reached a beautiful rocky beach, where we could swim for 30 min.

There were also fish in the sea so I didn't stay there for long. Then we walked back through the forest. When we got to the place where the bus was supposed to pick us up, it wasn't there yet so we had to wait. When the bus arrived, we got on and went back to school. We said goodbye at the school and went home.
