

REPORT FROM 5th PROJECT MEETING IN GLASGOW, SCOTLAND, UK WEDNESDAY 1st JUNE 2022

Miša and I got up at 6:45 in the morning. At 7:00 we went to breakfast. Like most mornings, we had toast and juice. After breakfast we had some more time and at 8:10 we went to the bus stop. Of course the bus

didn't run on time again, so we waited for about 15 minutes. When the bus arrived, we went **to the south of Glasgow to Pollock Country Park**. It took about an hour to get there. Other teams came by train and we all met at the train station.

Then we went to the park. There all the nationalities split in half and then joined with the other groups to form two larger groups. The first group went to the **Burrell Collection** and we, the second group, went to the Pollok house and gardens.

On the way we stopped in the **woods by the fireplace**, where we first named

ourselves with animal nicknames based on the first letter of our real names. Then we played games like **tug-of-war or hide-and-seek or getting the flag of the other team**. We were running in the woods and we had a lot of fun. Later we learned how to make and light a campfire and then roasted marshmallows on it. Around 12:30 we met the other group at the river where we had a snack and had a lunch break.

Then we swapped the routes. The other group went to play games and make a campfire and we went to the museum. It was on the site of an old monastery and still there were some

windows and walls seen inside

On the way we met Scottish Highland cattle and calves, we watched them for quite a while.

Then we arrived at the museum. **Burrell Collection Museum** was a glass building with two floors of collections of pictures, statues and ceramics. We spend there

about an hour. Everyone went to see what he liked. Then at 2 p.m. we all met again and started our way back. It was quite long before we got to the train station again. Other teams went back by train but we were hungry so we were looking for a place to eat.

We went to the **shopping centre Morrisons with a restaurant**, which we saw on our way to the park in the morning. **We had pizza and lemonade there for lunch.** Unfortunately it took longer than we had hoped

and then the bus did not go for more than 1 hour and we were waiting at the bus stop so long and had to change the bus twice. **So we came late to our scheduled bowling with the other teams.** We were sitting there and watching other teams playing.

When it finished we said goodbye to other students and went to the hotel and just relaxed. Before that we bought some sweets to have a nice evening.
