REPORT: GROUP MOBILITY OF PUPILS FUNCHAL, MADEIRA, PORTUGAL, MONDAY 17th MARCH 2025

Filip Martinek 6.A

This morning I woke up very early, there was a very strong wind outside.

Monday was the **first time we went to a Madeira school**. This school is much bigger than our Czech school. **The students sit alone**. The **lesson takes 90 minutes** and the first break is 30 minutes long, and the second lasts one hour. **They can spend their free time in the clubroom during the break**. Because I visited an hour in which English was not spoken, I was very bored all the time.

After lunch, which goes to the next building, we went to CR7 Museum. This is **Cristiano Ronaldo's museum**, opened in December 2013. **The famous footballer was born in Madeira**. **In Funchal**, we visited his museum, where are **his trophies and jerseys**, but also **his football boots**, with which he played **important matches**, or correspondence from fans. **A statue of Ronaldo stands in front of the building**. I do not like a football so much, but I also had to take a selfie with Ronaldo.

After visiting the museum, my family and I went home. We ate frozen pizza for dinner, and then we talked about the experiences during the day.
