My Saturday

My Portuguese mom and sister picked up me at the airport. On the way home, we stopped for a meal at MCDonald's and then we drove to **Enrico's football match**. Then we all went home to Portuguese family.

Family lives in a **big green house**. On the ground floor is a living room with a big table, kitchen and a bathroom. Children bedroom and parent bedroom are on the first floor. Each room has got own large balcony, from which we can see the sea and banana. Enrico lives in the house only with his sister and mum. I fell asleep very early on Saturday night, because I was very tired from travelling. **I slept with Enrico in his room.**

My Sunday

On Sunday a got up at 6 o'clock in the morning. After breakfast - **Enrico, I and his sister Pietra went to the beach**. I liked it very much on the beach. We watched big waves because there was a lot of wind. After lunch we went to the **cinema**. We watched the movie Superman. After the movie we went shopping at the supermarket.

At the supermarket **I bought gifts for my family and for my school friends and Pietra bought me a T-shirt to remember**. After that Pietra took a taxi home. Enrico's mom came from work, we had dinner. I ate their ice cream with banana. Their **bananas are even green to eat, and they are much sweeter than banana which we buy in Czech Republic**. Then I had a shower and we went to bed.

Enrico has got a very cordial family. **His sister Pietra is seventeen years old**, and she was a lot of fun the whole time. She told me that she was coming to visit us when she comes to Brno. Enrico's mom was almost always at work. I saw her only every morning when we went to school. **She has got a shop with souvenirs**. And **Enrico's life is football**, he spends all his free time training, because In Madeira are three first-team Teams.
