SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

On Sunday **I went with my host family to Valencia.** We weren't used to having breakfast in the morning, but Leonora's mother Silvia gave me two small croissants. Then, at about nine o'clock, we went on a trip with her whole family.

When we parked in the underground parking garage, we met Adéla Kritzbachová, her Spanish host family, and a cousin of Martina (Spanish host of Adéla). Then we were walking through Valencia streets and shopping for some souvenirs.

Later we went to have a look on the "**Ofrenda de Flores**". It is a **statue of the Virgin Mary** arranged with flowers on a wooden structure which was part of the **"Las Fallas"** festival. Along the way we saw a living statue and the cathedral with the bell tower **El Micalet**.

Then we visited market place and, in its surroundings, we **saw orange trees**. I chose a few old stamps on the market.

We sat in a café and **had an ice cream** and then we just went back to the car. We split up and had lunch alone with my Spanish family. **We had lunch at the buffet where we could eat whatever we wanted and as much as we wanted.** After lunch we went home and later afternoon we moved to the shopping centre.

We met Simča already at the parking and we **went together into the playroom with bowling**. We met another our friend Zuzka and played few games there. Áďa joined us there and we played bowling all together. We also met Hubert there who then joined us for a meal that we had at McDonald's.

I really enjoyed the whole day and I was glad that we had a programme with other Czechs because as it was my first day there and I felt better.
