## REPORT: GROUP MOBILITY OF PUPILS FUNCHAL, MADEIRA, PORTUGAL, FRIDAY 21<sup>st</sup> MARCH AND SUNDAY 22<sup>nd</sup> MARCH 2025

Matyáš Brunclík 7.C

### Friday 21<sup>st</sup> March

I started Friday with cereals with milk for breakfast. After that, I packed for a day trip, brushed my teeth and we went to school. I went to class with my host, which was called art education. After an hour, I went to the bus stop to take a trip by excursion bus. **Unfortunately, we went on this trip without our Portuguese. We drove across the island to the other shore.** We were even higher than Sněžka. I liked the trip even though there were no Portuguese. After the trip, we arrived to the school, where our families picked us up. I came home with my family, started packing and dropped a few tears.

I had lasagne bolognese for my last dinner. I played video games with Henrique for the last time and then went to bed.

### Saturday 22<sup>nd</sup> March

It was the day we flew to the Czech Republic. I woke up with big sadness on Saturday morning. I started to pack. I had cereals with milk for breakfast. Then we went to the airport. At the airport, I checked in my luggage and said goodbye to the Portuguese with a lot of tears. After saying goodbye, we went through the check and boarded the plane.

The flight went great. We got off the plane in Prague, took our suitcases and went to wait for minibuses to Brno. The journey to Brno was without traffic jams. When we arrived, I fell into my mother's arms. I was glad to be at home, but at the same time I didn't like it, because

**I  
really  
like**

**Henrique.** When I arrived home, I shared my experiences with my family, I gave them souvenirs, and I fell into bed with fatigue.
