SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

On Sunday, we went to Valencia also with Monča and her Spanish host. We went to see the statue of the Virgin Mary, where the **Las Fallas festivities** took place on the last Sunday in February.

This statue was very beautiful and the Virgin Mary's cloak was decorated with flowers. During these celebrations, all the women dress in traditional Valencian clothes. I really liked the flowers that decorated the statue.

Then we all **went to the markets**, where we visited a gentleman who sold old postage stamps, we chose a few pieces and he even gave us some for free. I decorated my mobile phone with stamps. We also bought gifts for my parents, after we bought the gifts, we went for an ice cream, which I really liked.

We said goodbye to Monča and her family and we **went to a sushi restaurant for lunch**. I had a really good meal there. They had, for example, **sushi with strawberries and ice cream**, but also ordinary food that was selected on a tablet. **All the food was brought to our table by a robotic cat**.

After a delicious lunch, we all got together again and **went bowling**, where we played arcade games with Zuzka, Simca, Monca, and later Hubert came. We played bowling together, of course with our Spaniards. Our team won and Simča won individually.

After bowling, we were all hungry again, so our Spanish parents took us to **a fast food place**, where **we had a hamburger and fries**. Then we all said goodbye to each other and drove back home.
