PROJEKT: Our Planet, Our Responsibility: Learning from the Earth's Ecosystems for a Sustainable Future

REPORT: GROUP MOBILITY OF PUPILS PALMA DE MALLORCA, SPAIN THURSDAY 22nd MAY 2025 AFTERNOON

Bianca Tognetta 8.A

When we came back home from school on Thursday, we ate, then had a siesta. After the siesta we went with the rest of the Erasmus people to the city centre to walk and get to know the city better. Then we walked from school all the way to the **Cathedral of Santa Maria of Palma**. Were the boys stopped to buy some football shirts, they were selling the shirts almost everywhere.

We mostly just talked to get to know each other's better, we stayed at the front of the Cathedral for the rest of the afternoon then we all went home, when I arrived at

home I took a shower then we ate dinner. After that we laid on the sofa talked together and watched a series. After the series ended, we all went to sleep.
