TERMÍN: 18. 5. 2025 – 24. 5. 2025

PROJEKT: Our Planet, Our Responsibility: Learning from the Earth's Ecosystems for a Sustainable Future

### My host family in Palma de Mallorca

My host family is very large. The girl who hosted me is called **Natalia** and she likes to spend time with her friends or family. **She is 14** years old and plays volleyball. She originally **lived in Columbia** but a few years ago they moved to Mallorca but they want to come back.

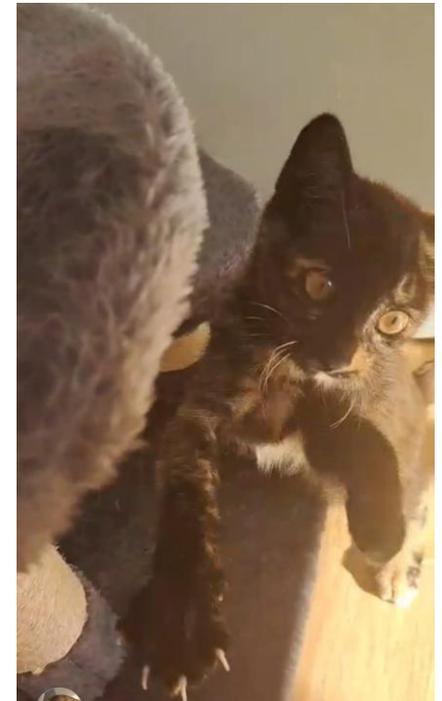

Natalia has **an older brother Luis** who is eighteen and works in a shop in Carrefour and in his free time he is with his girlfriend or with his friends.

Her **mum's name is Anyela** and she works in a hotel and in her spare time she is with her family or her friends.

Her **grandmother Rosa** lives with Natali and usually cooks lunch and when she has time she goes out with her friends or just relaxes at home.

**Natali's aunt or sister from Anyela's mom** so she works in the house and in her free time she goes dancing and her name is **Claudia**.

One of Natali's uncles is called **Antonio** and he works in a hotel and her other uncle called **Carlos** works as a car repairman and when they have time they go to visit Natali's house.

At home they have a kitten named Mia. Mia is about 3 to 4 months old and she likes to cuddle and sleep and she plays a lot but she sleeps more.
