SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

On Sunday, the first full day that we were in Enguera, **we went to a castle called Xátiva**. In this castle, some scenes of game of thrones were shot (at least I think), also I was there with Richard and Miguel, since we were neighbours, it was very beautiful.

I took some pictures, it was very high on the hill and also it was very hot, it was so high we had to walk to the castle for about 20 minutes.

On our way back, we went for lunch to the shopping centre. In the restaurant where we were, they had very good food. I had a burger.

After our shared lunch we went **bowling** in an arcade. **I played it for the first time and it was real fun.** After bowling we went back to Enguera.

After returning home we went outside for a bit to play some games. This day with my Spanish host family was very good.
