REPORT: GROUP MOBILITY OF PUPILS PALMA DE MALLORCA, SPAIN MONDAY 19th MAY 2025 AFTERNOON

Eliška Štefulíková 7.A

On Monday afternoon when we finished school at 2.00 o'clock p.m., we went home for lunch and stayed there until 4:00 p.m. and then we went into town with another friend of mine from school.

First, our hosts bought us a typical cookie and then we went shopping. We went to different clothing stores and then souvenir shops.

We walked around the streets which were full of tourists and shops.

Then we came across a yogurt ice cream shop where you can pick out fruit and toppings.

I like the streets and the houses have typical balconies with wooden windows.

Then we went for another walk until our friend left.

When we got home they gave me a taste of the typical churros. And we talked about Czech culture.
