SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

I woke up with Martina at 10 o'clock and we had a shower **because today is a family dinner**. I had a shower first and after me Martina had a shower. We dried our hair and we chose some pretty clothes. And then we were waiting for grandparents and aunts and uncles.

It's very sunny and hot day today, we don't wear sweaters, we only have shirts and pretty jeans. Martina's grandparents and aunts and uncles are already here. We go to the terrace with them and Martina's daddy called Pablo, is cooking in the kitchen. **He is cooking paella** (paella is very typical food in Spain) When Pablo finishes dinner, we go to eat paella. In paella there is rice, vegetables and some meat. It is very good food, **I like it**.

Martina told me, that in the afternoon **we are going bowling with Monika, Leonora, Simča, Ogechi and Ad'a and Martina**. I said OK, good. After family lunch I went to sleep and Martina played mobile games. I woke up at 4 o'clock and changed my clothes because we went bowling at five o'clock. Martina, Claudia (Martina's little sister) and her mom and dad and I went to the car and we went **to the Valencia big shopping centre**. The way to Valencia is 1 hour long.

Martina's dad parked the car downstairs at the shopping centre. We go to the third floor upstairs in the shopping centre because on the third floor upstairs there is bowling. At bowling we met Ad'a and her Spanish host Martina and other girls from Checia and Spain. We played bowling I think for 1 hour, and then we went with Martina, Ad'a, Simona, Ogechi, Monika and Leonora. After bowling we went to McDonalds. At McDonalds **we had a burger, Coca-Cola and fries**. Martina, Claudia, mom dad and I went home at 7:30 pm. We went home by car. Valencia is a big town and way home to Enguera was also one hour long. We were singing to music in the car.

We arrived home at 8:30 pm. At home Martina and I changed clothes to pyjamas and we played mobile games. And after mobile games we went to sleep with Martina at 9 pm because tomorrow we go to school.

I think this day in the Spain was very good, I like this day so much.
