## REPORT: GROUP MOBILITY OF PUPILS FUNCHAL, MADEIRA, PORTUGAL, WEDNESDAY 19<sup>th</sup> MARCH 2025

Simona Lysíková 6.D

Ana's mom woke us at quarter to seven. I changed my clothing, brushed my teeth and combed my hair. For breakfast I ate cereals and I had warm lemon tea. We went to school at eight o'clock.

We dropped Ana's brother off at his school at eight past eight. We arrived to Ana's school at ten past eight. First and second lessons me, Veronika and Julia had **Art class**. We were making a gift card with bunny in. After art we had a meeting in the cafeteria.

Teacher took us from cafeteria to class with 3D printer where we learned to print on a 3D printer. First, we learned how to programme it and then we made a map of the Czech Republic with the name of the country and print it on the printer.

Then we went to watch a movie in another class. We went to the gaming room with board games and computers. First, **I played Uno with Veronika and Julia**. Then we had a long break. After 30 minutes Ana's mom came and we went home.

After 1 hour came Ana's mom's sister with her two daughters. Me, Ana and Ana's cousins had so much fun. **We sung, danced and drew together**. We had dinner too. I had bread with butter, cheese, lettuce and tomatoes. Others had pumpkin soup and rice with sauce. After a small break we played hide and seek.

After some rounds I took a shower and brushed my teeth. Later we played **Roblox** and **Uno**. Around half past eight they went home.

When they went home Ana took a shower. At 9 o'clock me and Ana didn't want to go to sleep so we played some Roblox. When Ana fell asleep I didn't sleep. I didn't want to sleep and I didn't know why. I played Roblox till 11 o'clock p.m.

**I enjoyed it SO MUCH!** And I am very happy that I was able to spend a week in Madeira with my friends Veronika, Julia, Matyas, Filip M., Filip V. and Tomas and our Portuguese hosts.
