My Saturday and Sunday and my host family

I was in Madeira with my friends Veronika, Julia, Matyas, Filip M., Filip V. and Tomas.

When we went to Ana's home, I unpacked my stuff. Me and Ana relaxed for 30 minutes. We had lunch. We ate rice, meat and salad. After a small rest we went to the viewpoint named **Cabo Girao**. When I met my friends and their Portuguese friends we went to Funchal. At small restaurant we tried the traditional Portuguese **drink Nikita**. After Nikita we went to near

playground. After some minutes it started to rain. Everyone went to their home. At home I had a shower. I had a dinner. We ate toast with bitter cheese. I put on my pyjamas, brushed my teeth and went to bed.

On Sunday I woke up at half past ten. I had breakfast. I ate orange cake with Nutella. I brushed my teeth. Me and Ana **played Roblox** for one hour. Then we went to a restaurant for lunch.

At restaurant I met with Hynek and Veronika. Me and Veronika had steak with beef eye, vegetables and fries. Hynek had pasta with meat and cheese. After lunch we met Julia and went to near beach. We put on our swimming suits. Hynek was on beach because he forgot his swimming suit in Czechia. The Atlantic Ocean was **VERY cold** so we stayed maximum of **15 minutes**. We put our clothing back. We went to see a natural water fall.

Before we all went home we went to a nearby café where we all had an ice cream. When we got home I immediately went to the bathroom to wash my head because I was in the ocean. I had the same dinner as yesterday. I put on my pyjamas, brushed my teeth and went to bed.

My host family

Her family lives on the fifth floor in Funchal-Santo Antonio. **Their apartment has two bathrooms, three bedrooms, a kitchen and a living room. She lives with her dad, mom and brother. She doesn't have any animal and they don't have a garden.**

Ana's family was very kind to me. **I slept with Ana in her bedroom.** They often eat fish, rice, pasta and meat for lunch. Ana's brother every day eats sliced fruit for breakfast. Ana eats bread with cheese and salami for breakfast. I don't know what Ana's dad eats, because when we woke up he was at work. Ana's mom didn't eat breakfast because she had stomach problems. Ana ate same food as me cereals or bread for breakfast.
