My host family in Palma de Mallorca

During my stay on Erasmus in Mallorca from May 18th to May 24th I stay with the John's family. Jhon Angel Serrano Sánchez is **14 years old boy** who likes **football** as me. He goes to school IES Ramon Llull with his **sister Alexandra**, who is a year older than him.

His mother is also called Alexandra, she works as a **cook in a restaurant**. She prepared great food for us during my entire stay. John's family comes from **Venezuela**, they moved to Mallorca 2 years ago. That's why she prepared **typical Venezuelan dishes** for us. I liked tacos the most.

My best experience was **attending the Mallorca vs Getafe football match**. It was my first visit to such a big stadium, which we saw from the plane. There were about **18,000 fans** there. John's mother went there with us.
