REPORT: GROUP MOBILITY OF PUPILS PALMA DE MALLORCA, SPAIN FRIDAY 23rd MAY 2025 AFTERNOON

Erik Lučanský 8.C

On Friday afternoon after visiting the Parque Natural de s'Albufera de Mallorca, **we went to the beach**. We were there for about 2 hours. We swam and enjoyed the waves. The water was quite pleasant, because it was warm outside.

After swimming, we went to the souvenir shop, where I bought a **turrón** that my sister wanted from me. Then we had to take the bus back to school.

At school, we had **refreshments** prepared, along with a programme for the end of Erasmus and say goodbye.

We also got the **certificates about out mobility** and had a nice time together because also the parents came for the afternoon. We were talking and having a nice time.

In the meantime, I managed to injure my toe. Because of my injury, we went straight home to John's after school. Then I packed up and in the evening, we played computer games. Since we got up early in the morning, we had to go to bed early.
