### My host family in Palma de Mallorca

My Mallorcan friend is named **Alejandro**. He is **14 years** old and lives in Palma de Mallorca, Spain. Alejandro plays **futsal** competitively and enjoys **playing on his PlayStation**. His parents' names are **Melisa and Titto**. Melisa is from **Mexico** and has family there. Titto is Spanish. They have two sons: Alejandro and **20-year-old Octavio**, who studies at university.

Alejandro's family was very friendly, and I had lots of fun with them.

Alejandro's family lives **on the seventh floor of an apartment building**. Their flat has 4 bedrooms, 2 bathrooms, a kitchen, a living room, and a big terrace. I had my own room to stay in.

Every evening, we **had dinner together on the terrace**, where they served me typical Spanish food.

For example: Spaghetti with tomato sauce, Tortilla Española, Pepito de ternera and bread.

My stay really improved my knowledge about use of the English language. I enjoyed it a lot and would love to be on Erasmus once again.
