SUNDAY 22nd MARCH WITH MY SPANISH FAMILY

On Sunday morning, we had breakfast and went to the **biggest aquarium in Spain, which is in Valencia**. There we saw a lot of **fish, octopuses, crabs and other sea animals**. I was surprised because the aquarium was very big and there were many different kinds of fish.

Then we went to the **dolphin show**, where the dolphins did many different tricks. All the people watching were very surprised and enjoyed the show a lot.

After this very interesting show, we went for **lunch to a traditional Spanish restaurant**. The Spanish family let me **try paella, fried eel, fried mussels, fried oysters and prawns**. The most unusual and tasty food for me was paella, which is rice with seafood. I liked the prawns the least.

After lunch, because the weather was very nice, we went for **a boat ride on Lake L'Albufera**. We had a beautiful view from the boat.

In the evening, all the Spanish and Czech children went for **a walk through the narrow streets of Enguera**. I really liked it because the atmosphere was very cosy.
