MY SPANISH HOST FAMILY

My host in Spain was **Adrian and his family**. Adrian's family has two houses and live in Francisco street in Enguera. They also have 2 dogs in the garden of the cottage, the cottage is 15 minutes by car from their house. The family consists of:

Mum Inma - she works as an **X-ray nurse in a hospital**, she used to work in Enguera and now she works in a hospital in **Valencia**. She is 38 years old and married to Pablo. Inma has long blond hair and she is slim.

She doesn't like cooking, which is because she can't make it. Inma's English is bad, so she used a translator to communicate with me.

Dad Pablo - He works as a **soldier in the navy in Valencia** as a sergeant major. He is about 40 years old. Pablo cooked very well for us during our entire stay. I liked shrimps the most. Although he doesn't speak much English, we understood each other.

Adrian - Almost 12 years old boy. Adrian is a friendly, communicative and curious boy who likes to spend time with his friends. He plays football. He likes to play Ballorand and car football on the PlayStation. He doesn't like math at school, but he enjoys English. He is intermediate in English and we understood each other very well. He goes to the 6th grade of the primary school in Enguera.

Anna - Adrian's sister Anna is 8 years old, she goes to the 3rd grade of primary school in Enguera. She plays football. She likes painting and dancing. Anna was like my little sister.
